RE: Call for Music Submissions

UNSCENE² seeks submissions for independent music compilation series.

In a society overwhelmed by corporate franchises and stripmall overgrowth, UNSCENE² promotes those who exercise their individuality. Traditionally, UNSCENE² has cleverly provided a simple, functional way to navigate through our city streets, and now it will provide a way to navigate through an oversaturated independent music market.

Submit (to Lee@unscene.com)

- _20-25 word bio
- _1-3 audio files of music (MP3, please)
- _web address
- _contact name, phone #, city/state
- _ region: West Coast, Midwest, or East Coast

Music chosen as part of the compilation will receive:

- _direct HYPERLINK to your site on www.unscene.com (32,000+ visitors/month)
- _a feature in our BIWEEKLY NEWSLETTER (12,000+ subscribers)
- _a chance to appear at regional UNSCENE events
- _national + regional exposure
